When your child's class is called on to work, please be willing to help. Baseball games and soccer matches should last about 2 to 2.5 hours and track meets will last about 3 to 4 hours. Because of time frames, the baseball and softball games need to have 2 or 3 volunteers working and the track meets and soccer matches need 3 to 5 volunteers. We have tried to schedule classes according to events so parents will be able to work concessions when their child is not participating in a sport. Please arrive about 30 minutes before the scheduled start time of the event. If everyone will do their part in helping when asked, we can make the concessions at our spring sporting events very successful. You will be reminded of your dates to work by your child's grade mother. If you have any questions, please do not hesitate to call Mrs. Wendy McMichael (706) 699-4559 or Mrs. Teresa Mimbs (706) 595-5641 in the main office.
