

Briarwood Academy Tuition Incentive Program

Briarwood Academy is always looking for ways to improve the educational experience for our children. As we all know, funding is the one of the most powerful tools needed to reach these goals. With more funding, we can purchase better resources for our teachers, continue to update our technology in the classroom, and most importantly hire and retain the best faculty members. As I am sure you are aware, Briarwood's school budget is funded completely by student tuition; therefore, we want to make a conscious effort to self promote our school in the community and offer a new incentive to our teachers and current parents at Briarwood Academy.

For every new student you help bring to Briarwood Academy, you will receive a reduction in your child's tuition equal to 10% of the tuition the new student pays for **one year**. In addition, you will be able to receive this tuition reduction for every child that you help bring to our school up to the total amount of your child's tuition for **one full year** (example, three new students referred gives you 30% off tuition). This credit will be posted on your monthly statements as long as the new student you referred to Briarwood remains at BA that year. This is a one year reduction, but with good success, we hope the same incentive will be used again for new students the following year. If more than one parent is listed on the referral line of a new student application, a total of 10% credit will be divided among the parents listed. A referral credit will not be allowed for siblings of already enrolled students.

If you have any questions about our new incentive program please don't hesitate to call the office at (706) 595-5641 or email me at parrishc@briarwoodacademy.com. Thank you.

Sincerely

Benson C. Parrish, III
Headmaster
