

# Twirling Registration

## K4-2nd Grade

Dear Parents and Students,

It's twirling time! I am so excited for the upcoming year!!! Lessons are \$30.00 a month, payable at the first lesson of each month. If a family has multiple twirlers, lessons for the 2<sup>nd</sup> and 3<sup>rd</sup> sibling will be \$20 a month. You may pay by check or cash, with it payable to Hannah DeMore. Lessons will be offered one day a week during the PE time scheduled during the school day. We will be performing at the home football games and some home basketball games.

Each twirler will need to purchase a twirling costume, white "Ked" type tennis shoes, white crew socks, and a balanced baton. The cost of the costume will be \$40 for a child size or \$45 for a child XL. Batons will be \$25. Payment for costumes and batons will be due on when you send in twirling registration. **Checks need to be payable to Hannah DeMore.** Payment for the first twirling lesson will not be due until August, and I will send you a notice then.

I am sending a copy of the sizing chart to help you as you measure your child. **\*\*Please keep in mind that your child may grow a little over the summer, and it's much easier to "take up" a uniform that is too big, than to "let out" if it's not there.**

Registration forms for baton lessons should be sent back to Briarwood in care of Hannah DeMore by May 11, 2018. You may place them in your child's book bag. This early registration should ensure that our costumes are here and ready to go for the first football game.

I am excited about working with your twirler for the next school year. Please contact me if you have any questions or concerns!

Thank you,  
Hannah DeMore (706-319-3185)
