

Renweb/FACTS LMS~BA Online Courses

FACTS LMS is a private and secure student area that will allow students to connect with students and teachers online, including accessing class materials, uploading assignments and participating in classroom discussions. You can use a computer, tablet or phone to access the LMS.

HELP: Please email Jennifer Johnson johnsonj@briarwoodacademy.com if you need any help.

How to Login

*** You will use the same login credentials that your child uses for Renweb/FACTS. If your child does not know their username or password they can click the Forgot Password Link or email Jennifer Johnson johnsonj@briarwoodacademy.com and it will be reset quickly for them.

- 1. In Chrome, Firefox, Safari, or Internet Explorer go to Ims.renweb.com
- 2. Type the school's District Code: ba-ga
- 3. Type the student's Username.
- 4. Type the student's Password.
- 5. Click Login.

Using the LMS

- 1. The LMS Dashboard appears with all of your child's classes.
- 2. Select(click on) a class to access the class.
- 3. The Class Wall appears. On the lefthand side you will see a calendar with upcoming events. In the middle you will see a chat section for the teacher and students. On the right-hand side you will see specific topics/assignments. Click/select on the bolded Topic Title to expand and open more.
