Various GPAs

Briarwood

- GPA = 4.0 scale/Numeric Average = 100 scale
- BA has a weighted GPA/Numeric Average
- A weight of 3 points is added to the numeric average for Honors classes each quarter.
- A weight of 5 points is added to the numeric average of AP classes each quarter.

HOPE GPA

- HOPE GPA is calculated using only academic classes
- HOPE GPA is recalculated to weigh only AP courses with a .5 for a B or C. Highest grade is 4.0 for an A.
- Use your GA Futures account or see Mrs. Stapleton to obtain your HOPE GPA.

Colleges and Universities

- Colleges and universities use their own procedures for calculating GPAs.
- Check with the admissions team to learn the procedure for recalculation.

Dual Enrollment

- **Juniors and Seniors with a minimum 3.0 HOPE GPA may participate**
- **Some classes offered in-person at Briarwood (English this year)**
We are looking at the possibility of adding Spanish next year.
- **Many of our seniors and some of our Juniors are taking English and/or electives via Dual Enrollment.**
- **We will continue our partnership with East Georgia College.**
- **All courses taken via Dual Enrollment must be approved by the counselor.**
- **DE packets are available on the Briarwood website.**

NAIA

NAIA GUIDE FOR THE COLLEGE-BOUND STUDENT-ATHLETE

Do I meet the freshman eligibility requirements?

If you will graduate from a U.S. high school this spring and enroll in college this coming fall, the requirements are simple. An entering freshman must:

- Be a graduate of an accredited high school.
- Must graduate with a 2.3+ GPA or meet two of the three following requirements.

MUST MEET TWO OF THE THREE

1. TEST SCORE REQUIREMENT	2. HIGH SCHOOL GPA REQUIREMENT	3. CLASS RANK REQUIREMENT
Achieve a minimum of 18 on the ACT or 970 on the SAT	Achieve a minimum overall high school grade point average of 2.0 on a 4.0 scale	Graduate in the top half of your high school class
Tests must be taken on an international testing date prior to the start of the term in which you intend to participate in athletics and scores must be achieved on a single test date. The minimum SAT must be achieved on the Evidence-Based Reading & Writing and Math sections only; the Writing score cannot be used. Minimum score requirements for tests taken prior to May 1, 2019 varied. <ul style="list-style-type: none">• For tests taken prior to March 1, 2016: 18 ACT, 860 SAT (reading, math)• For tests taken between March 1, 2016 and May 1, 2019: 16 ACT, 860 SAT (evidence-based reading & writing, math)	The NAIA accepts the grade point average determined by the high school, provided it is recorded and awarded in the same manner as for every other student at the school.	If a student's class rank does not appear on the transcript, a signed letter from the principal or headmaster, vice principal or guidance counselor written on the school's letterhead and with the school's official seal, stating the student's final class rank position or may be submitted. Exception: Completion of nine institutional credit hours prior to identification at any institution of higher education can be used if no class rank appears on the final official high school transcript. The credit hours must be completed with a grade of "C" or better.

Mid-Year Eligibility Opportunity. If you do not meet requirements for an entering freshman, you can satisfy one of the initial requirements in addition to earning 12 institutional credits hours with a grade of "C" or better during your first term of attendance at your NAIA school to be eligible.

Learning disabilities. Students with diagnosed learning disabilities, who do not meet the freshman eligibility requirements, may have their academic profiles reviewed by the NAIA Learning Disability Advisory Committee at the request of an NAIA institution. The LDAC will then provide recommendations to the National Eligibility Committee to assist with a final decision.

What if I didn't attend a U.S. high school?

The criteria for alternative high school experiences and those outside of the U.S. are determined as follows:

GED Students — must meet two of the three

1. TEST SCORE REQUIREMENT	2. HIGH SCHOOL GPA REQUIREMENT	3. CLASS RANK REQUIREMENT
Achieve a minimum of 18 on the ACT or 970 on the SAT	GED students are recognized as having met the GPA requirement.	(Not applicable)

Home Schooled Students

TEST SCORE REQUIREMENT — Home school students who have an 18 on the ACT or 970 on the SAT are considered to have met freshman eligibility requirements.
If a home schooled student completes a home schooling program conducted in accordance with the laws of the student's state of residence, but does not meet the test score requirement, a home school waiver may be requested from the NAIA Home School Committee. They can also become eligible without a test score by completing nine institutional credit hours with a "C" or better prior to identification at any institution of higher learning. Coursework must be accepted as institutional credit on the certifying NAIA transcript and be shown as earned prior to the term in which the student wishes to compete.

International Students - Must graduate with a 2.3+ GPA or meet two of the three following requirements.

Graduates of high schools outside of the United States or one of the U.S. territories.

1. TEST SCORE REQUIREMENT	2. HIGH SCHOOL GPA REQUIREMENT	3. CLASS RANK REQUIREMENT
Achieve a minimum of 18 on the ACT or 970 on the SAT	Achieve a minimum overall high school grade point average of 2.0 on a 4.0 scale	Graduate in the top half of your high school class
		Exception: Completion of nine institutional credit hours prior to identification at any institution of higher education can be used if no class rank appears on the final official high school transcript. The credit hours must be completed with a grade of "C" or better.
International students must provide their academic records in both the language of issue as well as word-for-word English translation.		

Note: For detailed information about the process for international students, please see the [NAIA Guide for the International Student-Athlete](#).

PARENT TIPS

- Communicate with your student about expectations and reality.
- Communicate with teachers, counselor and admin about any questions or concerns.
- Encourage attendance – it is directly correlated to academics and behavior.
- Balancing act – monitoring and providing independence.

THANK YOU
FOR COMING!
