Middle School Science Teacher Opening

Briarwood Academy – Warrenton, Georgia

Briarwood Academy, a college preparatory Christian school serving approximately 435 students in grades K4–12, is currently accepting applications for a Middle School Science Teacher.

The ideal candidate will foster a dynamic and engaging classroom environment where students are encouraged to reach their maximum academic potential while being nurtured in Christian values. Instructional responsibilities may include physical science, earth science, and/or life science.

Qualified applicants must hold at least a bachelor's degree in a relevant field. A valid teaching certificate is preferred. Briarwood Academy seeks energetic, creative educators who are passionate about student success and comfortable integrating technology into daily instruction.

We encourage interested candidates to submit a resume and references via email or by mail to:

Clayton Parrish, Head of School
